The Summit is a spacious and thoughtfully designed residence that offers a balanced combination of comfort, functionality, and lifestyle-focused living. With a well-organized layout and generous square footage, this home is ideal for large families, multi-generational living, or those who enjoy hosting and entertaining. The main level features an open and inviting living environment where the Great Room, kitchen, and dining areas connect seamlessly, creating a natural gathering space for everyday living and special occasions. The primary suite serves as a private retreat, complemented by additional bedrooms and flexible spaces that adapt easily to home offices, guest rooms, or personal use. Covered outdoor areas, including the front and rear porches and pergola deck, extend the living spaces and enhance indoor-outdoor living. The lower level is dedicated to entertainment and relaxation, featuring a private theater room, a spacious game area, and additional bedrooms, providing ample space for guests and family activities. The bonus room adds further flexibility, offering opportunities for independent living, guest accommodations, or recreational use. Overall, The Summit delivers a versatile and well-rounded home design, combining generous living areas, functional layouts, and dedicated entertainment spaces to support a comfortable and elevated residential lifestyle.
